

Do you have a writer in the house?

If so, this summer consider...

Ms. Scribbles' Summer Writing Workshop

Young writers work on creative projects of their choosing under the tutelage of a writing coach, with the chance to meet fellow writers and to publish!

The cost of the workshop includes:

- * A half-day writing “camp” where writers will meet each other, find inspiration, and prepare for take off!
- * Two months of one-on-one, online, individualized instruction with Ms. Scribbles.
- * A celebratory Writers Café where writers will reconvene, socialize, and read aloud what they wrote, revised, and polished to perfection over the summer.
- * A copy of the 2013 Summer Anthology

Those who perceive in themselves this kind of divine spark which is the artistic vocation—as poet, writer, sculptor, architect, musician, actor and so on—feel at the same time the obligation not to waste this talent but to develop it, in order to put it at the service of their neighbor and of humanity as a whole...

In order to communicate the message entrusted to her by Christ, the Church needs art. Art must make perceptible, and as far as possible attractive, the world of the spirit, of the invisible, of God.

- Letter of His Holiness Pope John Paul II to Artists, April 4, 1999, Easter Sunday
